

FOR IMMEDIATE RELEASE: Arizona Local

INFORMATION & COMMUNICATION SYSTEMS BRINGS MICROSOFT TO SCOTTSDALE NOVEMBER 29TH

Microsoft Across America Special Local Event

Scottsdale, AZ—November 2007. Information and Communication Systems (ICS), a Microsoft Certified Business Solutions Partner, will play host to a member of the Microsoft Across America fleet of trucks on November 29th 2007. This event is open to the public and it will take place from 3-7 PM in front of the ICS offices at 10812 North Scottsdale Road.

The 42-foot Microsoft Across America vehicle will be loaded with software and hardware displays. Microsoft and ICS experts will be on hand to hold live presentations and demonstrations. Specialized tracks for IT professionals, small businesses, and IT executives will feature demos of the streamlined user interfaces and increased security functions. Particular demonstration attention will be provided to Microsoft Windows Small Business Server 2003, Microsoft Dynamics CRM (customer relationship management), and Microsoft Exchange Mail Server 2007. Attendees will leave with an insider's understanding of the business value of each product, and how the product can help build a more efficient, connected, and profitable company.

"Microsoft hand picks deserving certified partners within their network that qualify to showcase this special event vehicle, we are proud to have been selected" stated Robert DelGarbino, Chief Technology Officer for ICS. He continued, "Microsoft travels around the country with a 42 ft. Recreational Vehicle full of its latest software programs and technology available, we are excited to host it here in Scottsdale."

This Hands-On and Interactive Event will allow any consumer the opportunity to come out and ask questions, see demonstrations, explore and try new Microsoft programs, and gather information. Recommended Attendees: Technology Executives, IT Managers, IT Professionals, Business Executives, Managers, Vice Presidents, Finance Directors, CEO, CIO, COO, CFO, CTO, Sales Executives, Human Resources Managers, Customer Management, School Administrators, Accounting Professionals, Project Managers, Operations Managers, Office Managers, Administrative Professionals, Marketing Executives, Customer Service Managers, Business Owners, Business Decision Maker, Technical Decision Makers.
